DIRECTORY OF MEMBERS

Members were asked to give the following data in order to provide a concise, searchable self-characterisation:

* EMAIL ADDRESS
* HOMEPAGE (if available)
* COUNTRY
* AFFILIATION
* DISCIPLINE (e.g., English)
* SUBDISCIPLINE (e.g., Literature, Linguistics, History of Ideas, etc.)
* GENDER STUDIES KEY AREAS OF INTEREST (max. 5)
* GENDER STUDIES FIVE MAIN PUBLICATIONS (in English)

Since many Continental colleagues have to cover several sectors of English Studies and also fulfil duties towards their national communities publishing substantial work in the native tongue, it soon became evident that 5 GS titles in English might not capture an appropriate picture, and we therefore added the rubric “HOMEPAGE (if available)”. By now 18 countries are represented, and readers will certainly be fascinated by the breadth and variety of the work that is documented here. The pdf format allows searches by names, key words, etc.
